## DISCLAIMER

Members are responsible for all damage or loss of equipment. Equipment must never be given to third parties. Costs for replacing or repairing equipment will be charged to the member. Equipment must be checked prior to usage and any damage reported upon return. Equipment is used at one's own risk. All members must have their own sufficient insurance coverage for injury and accidents. The ESOC Climbing Club does not provide any insurance coverage for participating members. ESA, ESOC & The ESOC Climbing Club and its acting committee is not held liable for any accidents or injury. The membership is always valid from January 1<sup>st</sup> to December 31<sup>st</sup> of the specific enrollment year. A wrong statement on the type of membership may result in termination of the club membership.

## MEMBERSHIP RULES

### **Internal Members:**

- ESA Staff and staff of companies who have made an agreed contribution to the ESOC Social budget and have a blue ESA badge (they can be located off-site)
- EUMETSAT Staff and contractors, provided that these have been covered by agreed contributions to the ESOC Social budget.
- Spouses or partners and family members of the above, who hold a green family badge (available from Security for staff and contractors for a 3 year period).
- ESA and Eumetsat retired staff.
- ESOC retired contractors previously working for contributing companies.

### **External Members:**

Persons not in the above categories, with an affiliation to ESOC. This includes on-site contractors working for non-contributing companies and their partners, spouses and immediate family.
